Description: During the 1970s, comics legend Jack King Kirby returned to the House of Ideas with perhaps his biggest idea of all: the universe of the Eternals! Their creation was the result of Kirbys ceaseless curiosity about the origin of man and his mythologies - but like many of the Kings concepts, it was definitely ahead of its time. Flash forward to 2006:...

Review: I read this after reading the original Jack Kirby eternals series from the seventies, and I understood what was happwning, but if your new to the eternals this might just be abit too weird at the start. I think thered a lot to like if you can into the story, although I do find the premise abit unoriginal. Between Dcs new gods and marvels own asgardians...
